Dear Dick:

I have just received the following message from Mr. McCone from Europe and this confirms my telephone call to you.

STAT

"I had intended to call [redacted] to confirm my desire that upon his retirement from the military service he join with us for a two-year tour on the Board of National Estimates with mutual options for another tour. In order that we not run the risk of losing this highly desirable asset, please contact [redacted] in my behalf and confirm my hopes."

STAT

I certainly hope you will join us. If you have any questions on pay status, etc., I think Sherm Kent would be the best initial contact.

Faithfully yours,

Pat
